

# Scarborough Ladies FC – A Call for Support

At Scarborough Ladies FC, we are proud of the vibrant, growing community, we've built—a place where girls thrive not only as footballers, but as confident, resilient young women.

Following our recent AGM on 7th July, we're pleased to let you know that we've taken the decision to freeze fees for the upcoming season. With the SSV currently closed for repairs, we've also reduced the cost for U18s to bring it in line with the rest of our junior teams.

However, to sustain these low fees and ensure the club remains financially stable, we need your help.

Last season alone, the club spent approximately £23,000 on essential items such as kits, training jackets, pitches, equipment, match officials, and courses. Thanks to sponsorship, we were able to cover around £10,000 of this cost. Sadly, we've already missed out on some expected sponsorship this season, putting additional pressure on our club's finances.

This is where **you** come in.

We are reaching out to you—our parents, our supporters, our community—to help us keep grassroots girls' football not only alive but thriving.

We're looking for:

- Ideas for fundraising activities

- Local business connections for sponsorship

- Volunteers to help support our teams and coaches or even step up to be a Manager.

Every pound raised, every idea shared, and every helping hand directly supports the girls on their football journey—on the pitch and beyond. Your involvement ensures they continue to benefit from the teamwork, confidence, and community spirit our club fosters.

If you have ideas, sponsorship leads, or time to give, please speak to your team manager or a member of the committee—we would love to hear from you.

Together, we can ensure Scarborough Ladies FC continues to be a place where girls grow stronger—on and off the field.

With heartfelt thanks,

Chris McArthur

Chairman, Scarborough Ladies FC

We understand that passion can sometimes cloud judgement, but please use your best efforts to control this.

Any Referee wearing a yellow armband, is an indication that they are under 18 years old, and therefore like all players on the pitch should not be addressed at all. Please leave the management of the team to the SLFC coaches.

Only positive comments should be said to both sets of players and clapping should go to both teams for encouragement and great play.

We would like at least one parent/guardian who is signing this form to complete the following Safeguarding course, this will be recorded on your FA fan number.

- Encourage others and behave well.
- Bring a positive attitude to training and matches.

**We always treat others as we'd like to be treated. To give respect at football I must:**

- Always use respectful language and actions.
- Not argue with the referee, coach, and officials, and accept their decisions about football and my behaviour.
- Show fair play by shaking hands with our opponents whether we win, lose or draw.
- Tidy up after myself and take care of the facilities we use.

**We embrace our differences, football is a game for everyone.**

**To be inclusive at football I must:**

- Welcome everyone, whoever they are and whatever their background or ability.
- Involve everyone and always be kind.
- Treat everyone fairly and tell a trusted adult if this doesn't happen.
- Celebrate everyone's good play, effort and success.

- Encourage my team-mates if they make a mistake.
- Try my best and help my team, by being positive and supportive.
- Play fairly, without cheating, diving, complaining, or wasting time.
- Accept that I may not be able to play in my favourite position all the time, or that I may need to take a break to give someone else playing time.
- Recognise that if I'm the Captain, I need to try hard to set a positive example for others to follow.
